- An understanding of the intended target audience;
- Tactics and timing.

8-10 Outstanding, Strong Depth of Information	5-7 Average	0-4 Inadequate, Missing Information, Poor
Thorough explanation of the business need or opportunity.	Business need or opportunity is clearly defined.	No background information on business need or opportunity and left to assumption.
Thorough explanation of research and how it helped inform the project and define the execution.	Speaks to how the business need was defined.	No information on how the need was identified.
Truly unique approach to audience analysis – segmentation to groups and identifies appropriate characteristics.	Audience listed with characteristics and needs that lead to choices of strategy, tactics, media and channels.	Audiences not listed or listed with vague, unsupported assumptions about characteristics.
A thoroughly explained and insightful approach to setting strategic goals and objectives leading to outstanding business results. Uses SMART formula - Specific, Measurable, Achievable, Relevant, Time-Framed.	States overall big picture goals, with no measurable objectives. Objectives not realistic or achievable.	No goals or measurable objective. If objectives are provided, they do not focus on the identified goal or business need.
